SECTION II

COMMENTS (From Original Addressee)

TO : LEGISLATIVE COUNSEL OFFICE OF GENERAL COUNSEL	FROM: Director of Logistics
---	--------------------------------

FOLD

This Bill has no direct bearing on the operations of the logistics system of CIA. If passed, however, the establishment of a Defense Supply and Service Administration would present an additional channel through which support would be drawn for common-type items and thereby pose a new set of security, financial, and administrative problems to the Agency.

This Office does not desire that the Office of General Counsel take any action to further the passage of this bill.
